INDIA

South Asia's Epicentre for F&B Technology

Where Technology Transforms the Future of F&B

26-28 November 2027
Mumbai, India

Meet the Demand. Discover the Technology. Build What's Next

India's F&B industry is scaling rapidly – driving demand for higher productivity, smarter automation, advanced processing, efficient packaging, food safety and sustainable manufacturing.

Anuga FoodTec India 2027 connects this growing industry demand with the technologies, solutions and global expertise needed to meet it. Bringing together food manufacturers, technology providers and industry decision-makers, the platform enables businesses to discover solutions, evaluate technologies, connect with the right partners and drive their next phase of growth.

Join us at Anuga FoodTec India 2027 - Where Industry Demand Meets Technology.
