Food+Tech Redefined

Anuga FoodTec India is South Asia's premier exhibition for the food & beverage processing and packaging industry. Organized by Koelnmesse India, a subsidiary of Koelnmesse GmbH, Germany, the show carries forward a legacy of 100 years of global exhibition excellence. Powered by Anuga FoodTec Cologne, the world's leading food technology event, the India edition serves as the ultimate platform for knowledge exchange, innovation, and business growth.

The 2026 edition marks the 20th milestone, bringing together global industry leaders, innovators, and decision-makers to explore trends, build networks, and drive the future of the F&B technology landscape in South Asia. With its unmatched scale and impact, Anuga FoodTec India continues to be the most trusted gateway to this rapidly growing F&B sector.
