

2024 POST SHOW REPORT

Dr. Sudhanshu,
Secretary, APEDA

Anuga FoodTec India serves as a pivotal platform for showcasing advancements in the food and beverage processing and packaging sectors, crucial for the growth and modernization of India's food industry. This event offers a unique opportunity for our manufacturers and exporters to explore the latest innovations in technology, packaging, and quality standards, enabling them to remain competitive in both domestic and international markets. APEDA is delighted to support such initiatives, which not only foster business growth but also encourage continuous improvement in food safety and sustainability. We commend Koelnmesse for their invaluable partnership and their role in driving the success of India's F&B industry.

Breakdown of Visitor Profile

Top Visiting Brands: Driving the Industry Forward

Rakesh Kawde
General Manager - Sales, Haldirams

"This event has been a great opportunity to explore new technologies and automation that can enhance our production efficiency. Attending for the second year, I've found it beneficial in discovering ways to reduce costs and increase production capacity. It's a valuable platform for entrepreneurs to find the right solutions under one roof."

Dr. K. D. Yadav
Sr. Vice President-Tech, AAK India Private Limited

"I've been connected with Anuga FoodTec India for 15 years, and I commend the team for their excellent coordination in bringing together equipment manufacturers, food processors, ingredient suppliers, and research institutes. Their efforts are crucial in driving innovation and growth in India's food processing industry, elevating it to a global level."

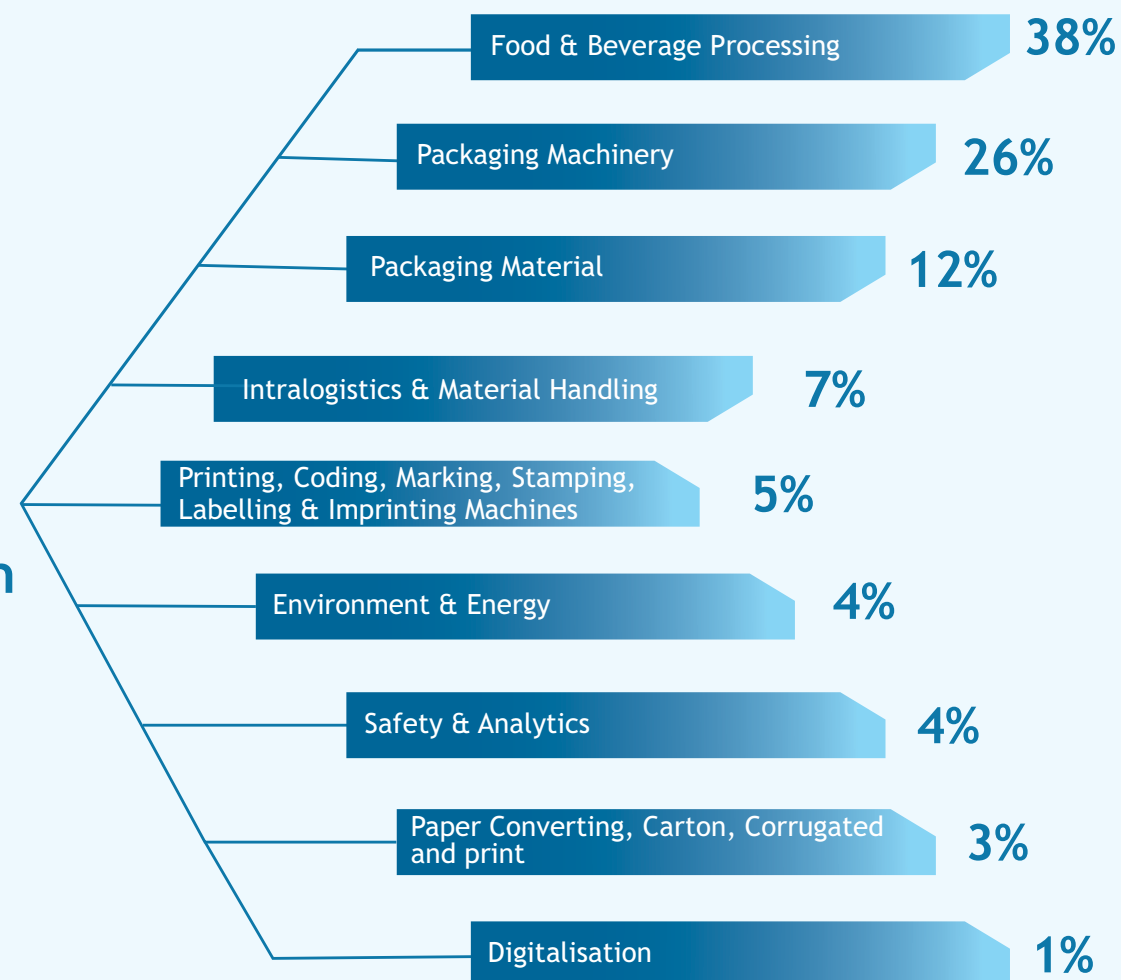

Unlocking Opportunities for Technological Innovation and Industry Excellence

583 key exhibitors from **29** countries.

Anuga FoodTec India showcased a diverse range of cutting-edge solutions in the food and beverage processing and packaging and intralogistics industry. The event provided a comprehensive platform for networking and business opportunities, highlighting key industry segments.

Exhibitor Area of Operation

Vishnu Puranik

Director of Product and Sales, Clearpack Automation Pvt Ltd

"We are thrilled to be part of this great show. Clearpack, a Singapore-based company specializing in primary, secondary, and tertiary packaging lines, sees this as a valuable opportunity to connect with existing and potential new customers, as well as business partners. We have participated in this exhibition for several years and look forward to meeting more prospects and associates."

“

Anupam Kumar Singh

Regional Sales Support Manager, Tetra Pak India

"This is our second time at Anuga FoodTec India, and it has been highly beneficial for connecting with new customers and staying updated on industry trends. The event helps us better understand market needs and refine our offerings."

A Dynamic 3-Day Showcase of Industry Excellence and Innovation

Over three action-packed days, Anuga FoodTec India 2024 brought together the brightest minds, leading companies, and cutting-edge technologies in the food and beverage processing and packaging industry. The event featured a range of highly successful show highlights, from innovative product displays at the Packaging Theatre to insightful discussions at the Conference & Seminar sessions. With exclusive Guided Tours and B2B Matchmaking, the exhibition fostered collaboration and showcased the latest advancements that will shape the future of the industry.

Guided Tour:

The Guided Tours provided tailored experiences for attendees, focusing on specific profiles and interests. Organized around five key topics—Food Processing, Sustainable Manufacturing, Packaging Innovations, Digital Manufacturing & Automation, and Intralogistics—these curated tours connected visitors with targeted exhibitors. By addressing specific industry needs, the tours facilitated meaningful interactions and ensured participants made the most of their time at the event, fostering valuable insights and connections.

Packaging Theatre:

At the Packaging Theatre, 10 leading companies showcased their cutting-edge packaging solutions, drawing significant attention from attendees. The displays highlighted the latest innovations and trends in packaging, offering visitors a firsthand look at how technology is transforming the industry. This feature curated by the 'Knowledge Partner' - Innova Market Insights was a major success, providing valuable insights and inspiration to professionals across the sector.

The Focused Top Trends:

- Developing Digital
- Packaging in Action
- Recycling Revamped
- Rethinking Resources
- Plants or plastic
- Social Media Slays

B2B Matchmaking:

The B2B Matchmaking feature was highly effective, allowing participants to engage in targeted meetings with industry peers, potential partners, and key stakeholders. This structured approach fostered valuable collaborations and explored new business opportunities. The focused meetings and networking opportunities significantly contributed to forging new partnerships and driving business growth within the industry.

Conference & Seminar:

The Conference & Seminar segment was a resounding success, offering three days of in-depth, thought-provoking 21 sessions. Industry experts delivered valuable insights on emerging trends, technological advancements, and market dynamics. The diverse range of topics and high caliber of speakers ensured that participants gained a wealth of knowledge, enhancing their professional expertise and industry understanding.
